October Domestic Church At-Home Family Project

Psalm 19, Verses 1-6

How clearly the sky reveals God's glory!
How plainly it shows what God has done!
Each day announces it to the following day;
each night repeats it to the next.
No speech or words are used,
no sound is heard;
yet their message goes out to all the world
and is heard to the ends of the earth.
God made a home in the sky for the sun;
it comes out in the morning like a happy bridegroom,
like an athlete eager to run a race.
It starts at one end of the sky
and goes across to the other.
Nothing can hide from its heat.

The leaves are starting to turn colors. Autumn is here. This year, the Church is also celebrating 800 years since the **St. Francis of Assisi** went home to God. Also, we are deep into the **Season of Creation**.

For our October **Domestic Church At-Home Project** create a mobile, collage or window hanger using leaves, pinecones, acorns, feathers, or other things of nature to remind you and your family that God's Presence is everywhere in our natural environment, and that creation sings of God's goodness and beauty. Along with the natural elements, add words or pictures that reflect the many ways you may see God in Nature – in the sun, the moon and stars, water, the air, in animals, etc. Use Psalm 19 above as an inspiration. There are also some suggestions on the next page to help you.

Take pictures and send your creation to mrussoniello@strobert.cc or rsteffens@strobert.cc. Celebrate the glorious Presence of God in all that is – especially in you!
